

ART WORDS

TEMPORALITY - Time, existence, the frame we are in

SUBLIME- awe inspiring- something so great it's difficult to quantify

DIALECTIC- finding something out through an argument

HEGEMONY – a dominant group usually of power - they will always have bigger hedges and more money than you.

ENGENDERS – To produce, create or develop

TRANSGRESSIVE - Where boundaries are challenged usually morally or socially. Lots of artists love being this ;)

OBFUSCATE- In the way

APPROPRIATION- Taking something blatantly and using it in your own work

METAPHYSICAL – Trying to understand the whole of nature and existence including the things we cannot materially see.

META - Something that is written or performed that refers to itself or to something of its own type

LATENT - Something that is present but needs to be ignited in some way

SUBJUGATION - Being brought under control
